

## Logo

Ni ddylai'r logo gael ei ymestyn, ail-lunio na'i addasu. Dylid ond ei atgynhyrchu o'r gwaith celf swyddogol a ddarperir gan S4C.

Dylid defnyddio'r logo lliw fel dewis cyntaf, fodd bynnag, gellir defnyddio logo mono (gwyn neu ddu) os yw'r logo yn ymddangos yn aneglur ar unrhyw gefndir.

## Logomark

The logo should not be stretched, redrawn or modified. It should only be reproduced from the official artwork provided by S4C.

The colour logo should always be first choice, however mono versions (black or white) may be used if the colour logo appears unclear on any background.

## Parth gwag

Dylid amgylchynu'r logo bob amser gan ardal o gofod gwag o faint penodol. Mae'r part h gwag yn sicrhau nad yw elfennau gweledol eraill yn tresmasu ar y logo. Mae maint y part h gwag a nodir yn lleiafswm, a dylid ei gynyddu ble bynnag y bo modd.

## Exclusion Zone

The logo should always be surrounded by a minimum area of empty space. The exclusion zone ensures that other visual elements do not encroach on the logo. The exclusion zone size specified is a minimum and should be increased whenever possible.

## Maint

Nid oes uchafswm ar gyfer maint y logo. Dylid penderfynu ar raddfa a chyfran yn ôl y gofod sydd ar gael. Fodd bynnag, mae'r lleiafswm wedi nodi.

## Size

There is no maximum size for the logo. Scale and proportion should be determined by the available space. However, minimum sizes are as noted.

### Print
