### **3. Technical Standards for PPB, PEB and RCBs**

The style and content of the PPB, PEB and RCB are, of course, solely the concern of the political party or the designated campaign organisations for whom it is produced, but some basic guidelines and conventions should be observed, such as:

- a) Name Supers should be positioned so as not to obscure the mouth of the person speaking;
- b) Information Graphics should be clearly legible and within "Domestic Cut Off" so that the viewer at home can read the full text;
- c) use by the viewer of subtitling should be taken into consideration when framing shots and designing graphics;
- d) the use of music should be balanced so that people with hearing difficulties can clearly hear the spoken word.

All PPB, PEB and RCBs must conform to the same technical standards as all S4C programmes and the specifications must be met at all times. Full technical specifications and delivery information may be found on our website at:

[http://www.s4c.co.uk/media/media\\_assets/2018.10.31\\_Technical\\_Standards\\_for\\_Delivery\\_of\\_Television\\_Programmes\\_to\\_S4C.pdf](http://www.s4c.co.uk/media/media_assets/2018.10.31_Technical_Standards_for_Delivery_of_Television_Programmes_to_S4C.pdf)

### **4. Welsh Language**

The PPB/PEB/RCB should be in the Welsh language and should comply with S4C's Welsh Language Scheme and Welsh Language Guidelines which can be found at:

[http://www.s4c.cymru/media/media\\_assets/2015\\_06\\_19\\_Welsh\\_Language\\_Scheme.pdf](http://www.s4c.cymru/media/media_assets/2015_06_19_Welsh_Language_Scheme.pdf)  
[http://www.s4c.cymru/media/media\\_assets/Welsh\\_Language\\_Guidelines.pdf](http://www.s4c.cymru/media/media_assets/Welsh_Language_Guidelines.pdf)

A Welsh language broadcast means a broadcast which has been produced mainly in the Welsh language and is suitable for broadcast during S4C's peak broadcast hours. If the PPB/PEB/RCB contains extensive use of dubbing and/or subtitling, or does not conform to S4C's Welsh Language Guidelines, S4C reserves the right not to broadcast.

## **5. Delivery**

The PPB, PEB or RCB must be delivered via S4C's file delivery system by **10:00 THREE WORKING DAYS BEFORE** the transmission date. This will allow a full technical review, a review to ensure compliance and that any identified problems can be resolved before transmission. If this is not possible, please contact to discuss alternative arrangements.

S4C reserves the right to cancel and reschedule the broadcast of any material that is not delivered on time or where compliance issues are identified. S4C also reserves the right to recharge for any extra costs incurred.

## **6. Delivery Contacts and Details**

The main contact for technical and delivery issues is Jen Pappas, Channel Supervisor (Archive and Content) (email: [jen.pappas@s4c.cymru](mailto:jen.pappas@s4c.cymru), tel: 03305 880 486)
