As Mathew continues to rely on drugs to help him cope with his duties at school, an unexpected surprise forces him to come up with more lies.

Arthur is still squatting in the motorhome outside Rhys's garage, but will he and Barry be able to co-operate successfully in order to trick the property developers?

It's Kay's (special) birthday and she has made strict instructions – no surprises!

Iestyn is shocked when Elen quizzes him about his visit to the school grounds. Has Mathew been stupid enough to reveal the real reason for his visit?
